Dear Ryan,

I'm more than glad that you're interested in Chinese traditional culture and I'm honored to recommend for you Chinese painting, a traditional Chinese art.

The reason why I recommend Chinese painting lies in that it is one of the oldest Chinese traditions. Besides, it expresses pictures in a unique way, which usually reflects Chinese people's feeling for beauty. What's more, the painting tools such as brushes, color ink, paper, are full of Chinese elements.

I believe you'll soon love this kind of Chinese art, and I sincerely hope you'll paint a beautiful Chinese-style picture after practice.

Yours,

附：听力原文

Text 1

W: Your son's handwriting is so beautiful. Does he want to become a calligrapher?

M: No, he wants to study painting, brushing calligraphy is his hobby.

Text 2

W: I'd like to have my car serviced --- the engine and wheels checked. How long will that take?

M: Oh well, it's rather late. I'm afraid it will take hours. You'll have to get it next morning. But we can lend you a car to use, free of charge. You can take it now.

Text 3

M: This way, please. Can I start you off with some drinks?

W: Just water, please. Oh, and we'll need some bread for our kid. He's hungry, and he will forget his tears if he has something to eat.

Text 4

M: I'd like to make a jacket, please.

W: So what style do you like?

M: Just this one. And I'd like a fold at the back of my jacket.

W: OK. Take off your coat please. I will take your measurement.

Text 5

W: Honey, you look down all day. What happened?

M: Well, dad promised to play basketball with me if I could get straight A in the final exam. I made it. But now he's always on business trips. I even didn't get a chance to talk to him.

Text 6

M: Oh, god. There's another traffic jam on the highway.

W: How can there be a traffic jam on a newly-built highway?

M: Oh, I forgot tonight there is Zhang Xueyou's concert. I guess that's why.

W: Yeah. Well, honey, let's put on some music. We're going to be stuck in this for a while.

M: All right, what do you want to listen to?

W: How about some Beatles?

M: Yeah, all right.

Text 7

W: I just received a call from the sales manager on the 2nd floor. He said their Internet is down again. Can you go there and find out what the problem is?

M: Well, I'm really busy fixing a problem with the marketing director's computer. He asked me to get this repair work finished today. I heard he has to give a lecture at the meeting tomorrow. Can that wait?

W: I don't think so. The members of the sales department on the 2nd floor are preparing some reports. They have to meet important customers this afternoon.

M: All right. Then, I'll take care of that first.

Text 8

M: Amanda, could you make a call to the cinema to see if there are still some seats left for the movie this afternoon?

W: I've already booked tickets online for the two o'clock movie. We can just pick them up from the ticket office after having lunch at the restaurant.

M: OK. Well, the Smiths want to move our appointment forward by half an hour earlier. That means we should be there at 11:30.

W: Then we don't have enough time. We'd better set off for the restaurant right now. Oh, before I forget, can you remind me to stop by the bookstore on the way back home? I have to buy a book there.

M: OK.

Text 9

M: The living room is on your right. It's a large, sunny space.

W: That's really nice! Is that the dining room across the hall?
M: Yes. You could place a big table in there. And behind that room is the kitchen. It has everything — a cooker, a fridge, a microwave and even a new dishwasher.
W: I do cook much and I love those, especially the dishwasher.
M: Great. I think you'll like the bedrooms. There are two. One is large and has a bathroom in it. It also has new carpet and big windows. The second bedroom is small, though. Perhaps you could use it as an office.
W: Actually, my husband is a musician, so it'll be his music room. Is there any other bathroom?
M: There's another one in the hallway-- it is small and only has a toilet and a sink. But the one in your bedroom has a big bathtub.
W: Hmm. This apartment is very nice. We'll take it!
